CITY MOBILIER DESIGN

City Mobilier Design develops and selects furniture collections dedicated to professional spaces.

Our mission is to combine design, comfort and durability to create furniture perfectly suited for restaurants, hotels, cafés and modern hospitality environments.

Each piece is selected with great attention to detail, combining contemporary aesthetics with high-quality materials designed for long-lasting use.

At City Mobilier Design, we believe furniture does more than fill a space: it shapes the atmosphere and identity of a place.

DESIGN

Modern collections created for contemporary interiors.

PROFESSIONAL QUALITY

Furniture designed for intensive hospitality use.

HOSPITALITY SPACES

Ideal solutions for restaurants, hotels, cafés and professional projects.

Discover City Mobilier.

At City Mobilier, every project begins with a deep understanding of space, comfort and functionality. We believe that great furniture is not only about aesthetics, but also about creating spaces that people enjoy and remember. Each piece is carefully selected to combine contemporary design, comfort and durability for professional environments.

Design and functionality are at the heart of City Mobilier.

From chairs and tables to lounge seating, every product is chosen to ensure durability, comfort and timeless elegance for hospitality spaces.

Design is a long journey & this journey must be combined with our values.

This journey begins with raw, honest materials natural wood, fine fabric, and solid craftsmanship. We believe in the integrity of every detail, from the curve of a chair to the grain of the wood. Every decision is intentional, every design is a dialogue between tradition and innovation.

Quality materials & durability are at the forefront..

At City Mobilier Design, furniture is not just about shaping objects — it is about shaping experiences. Each piece reflects our core values: authenticity, durability, and refined design. By harmonizing aesthetics with functionality, we create timeless furniture crafted to enhance professional spaces and bring character to every environment
